WARRANTY	3-Year Hull Manufacturing Defects / 5-Year Tohatsu Engine
TRAILER	Custom Trailer – Included

THE JET HULL

PATENT-PENDING TPU DESIGN

EXPEDITION QUALITY

BUILT FOR EXTREME SHALLOW RIVERS

The Seal Craft is built differently. A patent-pending 3,000-denier TPU hull delivers superior puncture resistance, tear strength, and abrasion durability that standard 1,200-denier PVC simply can't match. TPU flexes around obstacles instead of failing on them – absorbing the impacts that would destroy conventional watercraft and holding up across the most extreme conditions.
